That's good news, Brian, I look forward to seeing you on a more regular basis. We have accomplished a lot in the past two months with these weekly tech/management meetings, but we have quite a bit left to resolve. We'll see you tomorrow, Jim.

All;

Just wanted to let you know that I am planning on attending the manager's meeting tomorrow. The tribal representatives decided we needed to have more of a tribal presence at these meetings so you will likely see one of us attending from here on out.

Looking forward to seeing all of you.

Brian
